L'Anse du Portier, Mareterra Monaco, offers a unique opportunity to acquire or rent a property in a recently developed area, where the flamboyant aesthetic harmonizes with respect for the marine environment. This urbanization project, bringing together several renowned architects, aims to create a real living space for a growing population, while preserving marine ecosystems.

As a potential investor or resident, you will be seduced by the many exceptional residences, integrating ecological principles and offering breathtaking views of the Mediterranean Sea. Local shops and restaurants enrich this new district, contributing to its economic dynamism and the creation of local jobs.

The Mareterra offshore extension is a testament to Monaco's architectural and ecological boldness. Carefully designed to minimize impacts on marine

ecosystems, this extension redefines the coastline while preserving marine biodiversity.

Whether you are looking for a primary or secondary residence, our real estate agency offers you privileged access to exclusive properties with unique architecture. With its unusual spaces and its commitment to sustainable development, Anse du Portier embodies a new architectural era in the Principality of Monaco, where every detail is designed to offer an exceptional living environment.

The Water Gardens

Les Jardins d'Eau, surrounded by Mediterranean vegetation and offering panoramic views of the sea, the residences of Les Jardins d'Eau embody the elegance of the French Riviera. Featuring expansive balconies and numerous amenities such as spas, gyms, wine cellars and swimming pools, these residences blend harmoniously into their surroundings, preserving the natural beauty of the place.

The Renzo

Designed by Renzo Piano Building Workshop, offers a variety of single-storey, duplex and triplex accommodation, as well as a quadruplex penthouse. Its design evokes a ship, inspired by the sea, aerial and luminous elements, in homage to Monaco's historic position on the Mediterranean coast. The spacious and uncluttered entrance hall leads to a seawater swimming pool, the Princess Charlene Pool, and facilities reminiscent of Mediterranean sensations, completing the residential experience of the Renzo.
