Authentic and charming stone house with a breathtaking panoramic view of the village, the sea, and the Esterel Massif.

In absolute peace and quiet, on the heights of Èze and close to the Principality of Monaco, in the heart of a magnificent garden of about 6000 sqm planted with Mediterranean species and 90 olive trees.

It is a beautiful family property on 3 levels offering a large reception room opening onto a large terrace, 7 master bedrooms each with a beautiful sea view, and its own bathroom or shower en suite. Some bedrooms have independent access.

The villa also has 2 swimming pools: one close to the house and the other in the heart of the greenery.

Lots of charm and character.
