The comfortable living room also has access to the balcony and the view. An American kitchen and separate dining room complete this property.

The common areas of the residence have recently been tastefully renovated. Residents have a private pool and a gym in the building. A concierge is always available to ensure safety. Ideally located in the Carré d'Or district, the Mirabeau is close to all shops. The famous Italian restaurant, Cipriani, has opened a location at the foot of the building and the luxurious shopping mall of the Metropolis is located behind the building.

The apartment is sold with two parking spaces and a cellar.
