In the heart of the lively Saint Roman district, and more precisely a stone's throw from the Place de Moulins, this corner apartment on the fourth floor is very bright.

The apartment, with an area of 60 m², consists of an entrance hall with an office space, a large living room with a fully equipped open kitchen, a comfortable bedroom with large wardrobes and a contemporary bathroom with window.

Reversible air conditioning already set up.

The apartment, recently renovated with quality materials, is an excellent opportunity both for rental investment and as a pied-à-terre.

Two east-facing balconies, which allow you to enjoy the morning light, complete the property.
