Part of a luxurious shared space, this office renovated with quality materials is an ideal workplace.

Located in the heart of Monaco, in the prestigious Carré d'Or, this independent office enjoys many shared resources such as a reception lobby, a business lounge, meeting rooms and a multimedia area. All the services offered are easily accessible thanks to the touchscreen tablets installed in each office.

The offices are separated by glass partitions ensuring impeccable soundproofing. They are covered with translucent films to allow diaphanous lighting from the outside while ensuring the confidentiality of each office.
